2026 fundraising campaign for our parishes - Tithe

As we do every year, the parishes of our diocesan Church are asking for the community's support for their annual tithe campaign. In light of our diocese's pastoral priority, we are called to work together to spread its light.
That is why the parishes are counting on the generosity of their parishioners for the success of the 2026 tithe campaign. The tithe helps support pastoral services, parish activities, and the maintenance of our places of worship.
Yes, it is together in the Outaouais region that our Church will be able to continue its mission of spreading the light of Christ.
Thank you for your generosity and solidarity!
