JUBILEE 2025 – PILGRAMS OF HOPE

Excerpt from Pope Francis letter for the Jubilee 2025 "We must fan the flame of hope that has been given us and help everyone to gain new strength and certainty by looking to the future with an open spirit, a trusting heart and far-sighted vision. The forthcoming Jubilee can contribute greatly to restoring a climate of hope and trust as a prelude to the renewal and rebirth that we so urgently desire..."

Additional information about Jubilee events and materials can be found on the Vatican website at <https://www.iubilaeum2025.va/en/giubileo-2025/lettera-di-papa-francesco.html>

Epiphany in Greek means “manifestation”. In the West, the visit of the Magi is celebrated as the event through which the Lord was “manifested” to the pagans and, therefore, to the world.
